

WEST TN FORAGE CONFERENCE

March 5, 2019

West TN Research and Education Center
605 Airways Blvd.
Jackson, TN 38301

The Tennessee Forage and Grassland Council will be holding a forage conference in West Tennessee on Tuesday, March 5, 2019. The conference will focus on practices that livestock producers can use to be more efficient in their forage programs. The meeting will be held at the West TN Research and Education Center. Dinner will be served starting at 5:30 pm CT, with the program starting at 6 pm. Registration for this meeting is \$25, which includes dinner and a one-year membership in the TFGC. For more information contact Gary Bates (gbates@utk.edu or 865-974-7208)
